Message from Our CEO

Today we work to bring new opportunities, one community at a time.

At Arc of Volusia, we believe that when people are given the right support, encouragement, and sense of belonging, they can thrive beyond expectations.

Our campuses are more than buildings; they are places where connections are made, confidence is built, and individuals are empowered to grow at their own pace. Whether it's learning a new skill, forming friendships, or celebrating life's joyful moments together, each day is a reminder of how important community truly is.

Events like dances, shared meals, and everyday interactions may seem simple, but they create lasting memories and reinforce a powerful message: everyone deserves to feel valued, included, and celebrated. It's through the generosity of our supporters, families, and staff that these moments become possible.

As we continue to grow and welcome new participants, we remain committed to creating spaces filled with kindness, dignity, and opportunity. Together, we are building a future rooted in compassion — one where every individual is encouraged to shine.

Thank you for being a part of it!

-Laurie Davis

And We're Off....

It was a busy and exciting start to the new year at The Arc of Volusia! Our friends kicked off the year with many fun and engaging adventures throughout the community. From delicious outings at Giuseppe's Pizza, to multiple bowling trips filled with laughter and friendly competition, there was never a dull moment.

Creativity was also on full display during crafts at the library, where everyone enjoyed expressing themselves and spending quality time together. One of the highlights of the month was a wonderful visit to Va-LaSalle Farms, where our friends had the opportunity to explore, enjoy the scenery, and pick some farm fresh produce.

In the workshop, the spirit of friendly competition was alive and well during a rousing game of pool noodle hockey. The competition was on, as goalies Bill and Allison helped cheer on our friends as they worked together to see who could score the most shots. The room was filled with excitement, teamwork, and plenty of smiles as everyone joined in the fun.

These experiences not only provided fun and enrichment but also strengthened friendships and encouraged community involvement. We are so proud of all the joy, smiles, and connections made as we begin another great year together at The Arc of Volusia!

This month, our word of the month is Community.

Community means more than a group of people in the same place; it means caring for one another, lifting each other up, and showing up even when it's hard.

Every day brings a new opportunity to make a difference in your community; sometimes in big ways, but often in small, meaningful moments that add up to something truly powerful.

For many of our individuals, the world can feel overwhelming or isolating. That's why spaces like Arc of Volusia are so important.

Here, individuals can be themselves without fear of judgment. They can grow at their own pace and feel supported every step of the way.

Our community is built on the belief that every person deserves the chance to thrive *not* just survive.

As we've seen time and time again when people feel connected, they flourish.

As we continue to grow and expand our programs, we're excited for what's ahead. We're looking forward to more celebrations, more friendships, and more opportunities for individuals to shine. But most of all, we're looking forward to continuing to build a community where everyone is welcomed and valued.

Because at Arc of Volusia, we don't just create opportunities we create connections. And those connections change lives.
